**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a consumer that supports broadband competition. Why? Cause its reasonably priced, reliable, supports local jobs, and it doesnt suck. My phone service is also from a local provider. Competition is healthy and generally good for the consumer. You should be doing everything in your power to support it.
